

December 2024 newsletter

It has been a very busy end of term. The children thoroughly enjoyed their role play around Santa's workshop and they had fun practising their Christmas play and may I say how amazing they all were performing on stage; that is to say, children are never too young to amaze you, we are all very proud of them.

The children have been making Christmas craft for you which we hope you will enjoy. The Christmas parties were a success and they had so much fun playing games, singing, dancing not to mention the Christmassy snacks and Christmas lunch.

For those who are going to apply for schools in September 2025, please remember that the deadline for Reception admission is 15th January 2025. Also, please don't forget to re-apply for your code before the end of December if you are eligible for funded early years childcare.

In January, we will explore a new topic and learn "All about me". We will talk about family, discuss the importance of healthy eating, healthy habits and physical activities before looking into Chinese New Year.

Dairy dates
